Students Living in Residence Halls:

Students living in the residence halls who wish to participate in the Kosher Meal Plan through Hillel must contract for the Cream Standard Plan (value \$2,800) with RPS. Upon receipt of payment w/ Hillel registration form, Hillel will sign you up for the Kosher Meal Plan and contact IU Residential Programs and Service to ensure that your account receives a \$600 (\$300/semester) credit. All RPS students on the Kosher Meal plan will then start with the Cream Mini Plan. If you have not already purchased a university meal plan, please take care of contracting for the Cream Standard Plan, understanding that you will receive a \$300/semester credit on your bursar bill.

Students NOT in Residence Halls:

If you are NOT living in a University residence hall, and you are NOT planning on purchasing a University Meal Plan, the cost of the Kosher Meal Plan is \$600 for the 2010-2011 academic year.

Payment for Kosher Meal Plan:

Payment of \$600 for the Kosher Meal Plan must be paid in full to the Helene G. Simon Hillel Center and submitted with the registration form or at www.iuhillel.org.

Please note: If you are participating in both the Kosher and University meal plan and have already paid the University, you must still submit payment in full to Hillel. Shortly after, you will be credited \$600 in two installments on your Bursar account (\$300/semester).

Your Kosher Meal Plan Card will be mailed to you or be available to be picked up at Hillel shortly after receipt of the registration.

Our Mission:

Hillel is a "home away from home" for IU's Jewish students, providing a community center to all Jewish students as well as support to students facing the many new experiences of campus life. Hillel offers a variety of student-led clubs, providing leadership development opportunities and culturally enriching programs.

Hillel's student leaders and the professional staff are dedicated to creating a welcoming and inclusive environment for Jewish college students where they can grow intellectually, spiritually, and socially.

"Whether it's meeting up with friends, studying or eating, Hillel is the place to be on campus!"

Indiana University, in conjunction with the Helene G. Simon Hillel Center, offers a kosher meal plan. All food is prepared at Hillel in kosher kitchens and served in the Hillel dining room. The Helene G. Simon Hillel Center has two separate kitchens, meat and dairy, to guarantee strict kashrut observance.

How to purchase a kosher meal plan:

Students can either deduct the cost of the kosher meal plan from their existing IU plan or purchase a stand-alone kosher meal plan.
